

## Chiddingstone Castle Client Feedback

---

Just to say a big 'Thank you' for everything you did to ensure we all had a wonderful day. Amy said it was the happiest day of her life, everything was perfect and she couldn't stop smiling every time she thought about it all!

You can't get a higher recommendation than that!

Just a heartfelt word of thanks to the 'stars' at Chiddingstone Castle; Sunday was the Wedding Day of my son Sebastian to Nikki - not only did the weather 'improve' (understatement of the century!) they achieved their great wish; to get married in the Orangery - an absolute last minute change from the prepared 'inside' venue; the whole event was magic and everyone was pleased; please pass on this message to your staff; the whole time spent at the Castle seemed 'seamless'.

I wanted to drop you a quick note to say thank you so much for all of your help with organising our wedding. Everything went brilliantly and we couldn't have hoped for a better day, so thanks again.

We wanted to write to you about the fabulous job you did for us at Chiddingstone on Saturday. We had such a wonderful day and with your help behind the scenes and acting as 'front of house'; it was truly very special.

The team's work on the day was exemplary... you simply 'got on with it' discreetly and without fuss. You are the most professional team of event planners I've known and both Maurice & I would highly recommend you. Kim - thank you for all your emails and work ahead of 7th June. You were very much part of our planning and your insights were invaluable.

We both want to wish Pink Pumpkin all the best for its future. Chiddingstone's future looks very rosy with your guidance.

Thanks once again for a truly memorable day.

I just wanted to say a huge thank you for all your help in both the build up and on the Wedding day itself. As you could probably see we had an amazing day - dreamy in fact. I can't believe the weather held off and everything we'd planned to do we did, particularly the lanterns - thank you so much for helping everyone out with those! They were a perfect end to the day.

And the evening food table couldn't have looked better. It was exactly as I pictured in my head and better so thank you both again for that.

There were so many things you did, both visibly and behind the scenes that meant that the day went exactly to plan so thank you so, so much.

Thank you for the wedding dress cleaning numbers - It was a bit of a state the next day but I suppose it wouldn't have been the same if it didn't have the evidence of a good time!

Anyway, thank you again for all your help with everything
